SGU Japanese Program Online (Summer)

In light of COVID-19 we will run the online version of SGU's Japanese Program.

Classes and virtual tours will be run via Zoom.

- Japanese language lessons in the morning. In the afternoon the students will have time to meet SGU students and communicate online and to encounter the beauty of Hokkaido.
- The program is designed for non-native Japanese speakers.
- We will be delighted to have those who are interested in Japanese language and culture.
- Prerequisite: Participants are supposed to be able to read Japanese hiragana and katakana.

We hope next program be in-person and this could be a good opportunity to move on.
